Promotion and marketing

We continue to get good promotion through press releases, facebook (278 Likes), our website, Bank Star One video board & our dance flyers. We have had over 93,000 hits on our web site since 2012.

Our dance attendance averaged about 60 for the 3rd quarter of 2016. We discontinued our weekly free lessons and open dancing

for the summer off. Open dancing continues on Thursdays at La Roca. We are still looking for opportunities for continuing lessons.

Kids Harbor was our charity for the 2ndnd quarter. We donated \$227.

The board voted to subsidize the members for the 10th Anniversary dinner dance on Nov. 5. The cost/value is \$24 but will be priced for \$10 for current members.

Members are always welcome to attend any of our board meetings.

About Our Organization...

The Lake of the Ozarks Swing Dance Club is a non-profit corporation organized to promote swing dancing and other forms of dance in the lake area.

We offer lessons, dances, and other events for the enjoyment of our members and visitors. Our dances are at the La Roca Club, generally on the third Saturday each month, unless there is a conflict with the venue.

We also offer free dance lessons followed by open dancing from fall to summer at a local restaurant/lounge. We donate part of our dance proceeds to various lake area charities.
